## Death of Composting

By Ayr, 6/6/16

Yes, to take that picture I had to stick my phone in a trashcan, or more specifically a compost bin. I'm trying to keep my cool but I'm not doing a very good job of it. Savethatstuff, our composter, is not composting the compost they pick up from our restaurants. And they haven't been for a while (they have trouble telling me how long). And they're not planning to in the future. And we've been paying for it the whole time.

WELCOME TO CLOVER

We're here to make food you love, the kind you talk about and look forward to eating. The Clover Food Lab is serving up a new type of fast food. This food is local, it's just-
